

2027 Monthly Plan Premium for People who get Extra Help from Medicare to Help Pay for their Prescription Drug Costs

If you get Extra Help from Medicare to help pay for your Medicare prescription drug plan costs, your monthly plan premium will be lower than what it would be if you did not get Extra Help from Medicare. (This does not include any Medicare Part B premium you may have to pay.)

Range Health's premium includes coverage for both medical services and prescription drug coverage.
